

It pays to Stay in School !

Did you know?

Over a lifetime, a high school dropout will earn **\$300,000** less than a high school graduate.

Did you know?

A high school dropout will
earn more than **\$1 million** less
than a college graduate over
a lifetime.

It's easy to see that if you want to do well, graduating is what you've got to do first.

Here are a few more good reasons why you should stay in school:

Reason 1:

High school dropouts are four times more likely than college graduates to be unemployed.

Reason 2:

Graduating from high school will most likely determine how well you live for the rest of your life.

Reason 3:

On average, high school graduates earn \$175 more per week than high school dropouts. College graduates earn \$368 more per week than high school graduates.

The Big Lesson Here?

If you want to make an extra
\$300,000 to \$1,000,000 during
your lifetime **STAY IN**
SCHOOL !
